

EXAMINING THE RESEARCH: PREGNANT AND PARENTING YOUNG PEOPLE AND BREASTFEEDING

This reference list was developed to supplement the training event, *SUCCESSSES IN ADOLESCENT HEALTH: Tools and Techniques to Support Pregnant and Parenting Young People in Breastfeeding*, held August 2016 at the Ann & Robert H. Lurie Children's Hospital of Chicago. It includes over 40 peer-reviewed articles as well as Illinois- and Chicago-specific resources.

ILLINOIS- AND CHICAGO-SPECIFIC RESOURCES

Illinois Physicians' Statement on Breastfeeding

Developed and ratified by the Illinois Chapter, American Academy of Pediatrics, the Illinois Section of the American College of Obstetrics and Gynecology, and the Illinois Academy of Family Physicians, this provides guidance and evidence-based standards of care for physicians working with mothers, infants, and young children with regards to breastfeeding.

<http://illinoisAAP.org/wp-content/uploads/ILPhysiciansStatementOnBreastfeeding.pdf>

Hospital Breastfeeding Toolkit for Illinois

This toolkit was developed in order to provide a set of resources for Illinois maternity hospitals working towards implementing the steps of the Baby-Friendly Hospital Initiative.

http://www.healthconnectone.org/wp-content/uploads/bsk-pdf-manager/IL_Hospital_Breastfeeding_Toolkit_compressed_8.pdf

CLOCC Breastfeeding Toolkit

This toolkit provides clinicians with concise information for families about the benefits of breastfeeding and available resources that support breastfeeding families in Chicago and offers in-depth information for clinicians and families on policies that support, promote, and protect breastfeeding in Chicago. <http://www.clocc.net/our-focus-areas/early-childhood/breastfeeding-support/>

Ten Steps Forward - Creating Baby-Friendly Communities in Illinois

Illinois' [We Choose Health](#) Baby-Friendly Hospital project aimed to increase the number of Baby-Friendly hospitals in the state. This Guide highlights successful collaboration between hospitals and local health departments.

<http://www.idph.state.il.us/wechoosehealth/WCHCreatingBabyFriendlyCommunities.pdf>

Illinois Breastfeeding Blueprint

HealthConnect One, Illinois Department of Human Services, and University of Illinois School of Public Health developed the following recommendations intended as a strategic plan.

http://www.healthconnectone.org/wp-content/uploads/bsk-pdf-manager/Illinois_Breastfeeding_Blueprint_2011_7.pdf
