

Supporting Teens and Their Babies with Breastfeeding: Hands On

Aimee Crow, MD

Getting Started

- What do I bring to this?
- The baby is here: move on
- There is hope!

Post Partum

- Hopes and goals
- Why formula?
- Maybe just try
- It can't wait!!
- “I don't have milk”

In the Clinic

- It's work (for a bit)
- Her Supports
- Extra Time
- Your Supports
- Pumping?

Thank You!
